

SEEKING GOD

Have you ever tried to seek God? How did you do it? Where did you start?

Sometimes we know we need God but just don't know where to begin. Sometimes we ask our friends or family instead of seeking God's way. Its much easier to follow someone's advice you can see and audibly hear. But God's way will always be better than human ways.

A good place to start when you want to seek God is... you guessed it, the Bible. It is His word. It is how He leads us! That's why he created it! He knew that through the years we would need a way to connect with Him, to learn His will. The best way to seek Him is to read about all His promises He makes to us. The Bible gives us the hope, faith and love He wants us to have.

Praying is also another way to seek God. When you wholeheartedly pray for things God will answer you. You may not hear Him with your ears, but you can hear Him with your heart. God speaks to us through our hearts and our souls. If you seek Him in prayer, honest and heartfelt prayer, He will guide you. He promises to! And God never breaks His promises to us.

Know that no matter what else God has going on, He has his heart set on YOU! Seek and you will find.
